Peter and the Star Catcher by Rick Elice Script 0 ratings0% found this document useful (0 votes)520 views176 pagesDownload as pdf or txtSaveSave Peter and the Starcatcher, a Broadway play based on the children's book by Barry & Pearson, is presented along with commentary from the playwright, directors, composer, set designer, and authors Dave Barry and Ridley Pearson. This annotated script includes behind-the-scenes information, photos of the cast and crew, and delightful stories about the production. Genres: Plays, Theatre, Fantasy, Adventure, Drama, Humor September thirty two thousand twenty-four: A somber tone lingers, weighed down by the inevitability of change. Yet, it's reassuring to know that not everything will remain as it is. November twelfth, two thousand seventeen: The phrase "might be better seen" hangs in the air, a hint at the complexity and depth of the story waiting to unfold on stage. Act Two stands out for its comedic wit, a lighter side to an otherwise poignant tale. August twenty-seventh, two thousand twenty: Enthusiasm overflows as the journey through Peter's early life is celebrated. This book serves as a personal treasure trove, revisited time and again for its captivating narrative. August fourth, two thousand twenty-one: Amazement fills every corner of the text, reflecting an unforgettable experience. The language used paints vivid pictures of excitement and joy, echoing the magic of live theater performances. December eleventh, two thousand twenty-four: A similar note of wonder is struck, though this time it's tinged with a hint of nostalgia for the passage of time. January thirty-first, two thousand twenty-two adds another layer to this theme, emphasizing the importance of capturing memories before they fade away. January thirty-first, two thousand twenty-two: For those unfamiliar with Peter and the Starcatcher, a compelling invitation is extended to experience its swashbuckling tale of adventure, loss, and growth. The story masterfully weaves together elements of pirates, nobility, and magic, all underpinned by themes of friendship and coming-of-age. January thirty-first, two thousand twenty-two: Rick Elice's script stands out for its ability to transport readers directly into the world of the play. Unlike many scripts, it doesn't feel like a secondary experience; instead, it offers a complete narrative that invites active participation from the reader. The story thrives on narration, weaving characters' perspectives together in a fluid and engaging manner. January thirty-first, two thousand twenty-two: This special edition of Peter and the Starcatcher script is notable for its inclusion of behind-the-scenes materials and insights into the creative process behind this remarkable theatrical production. This book is packed with visuals from the Broadway production and concept art from earlier times, giving readers a glimpse into the show's development. Deleted scenes and rewritten sections at the end provide insight into how some of the play's key moments evolved over time. However, it's the annotations that make this book truly special - penned by Elice, Barry, Pearson, and others on the creative team. These notes offer a fascinating look behind the curtain, even if not all of them are equally enlightening or don't contain major spoilers for later scenes. Fans of Peter and the Starcatcher will appreciate these exclusive insights, which provide valuable context to the story. In fact, more productions should follow this model, offering fans a deeper understanding of their favorite shows. While seeing a live performance is always the preferred way to experience it, the script stands on its own as well-written, making it accessible to new readers who have yet to see or read the play. For those seeking a deeper dive into the story's mechanics and history, this annotated edition is a must-read. A behind-the-scenes look at how Peter Pan came to be, presented through an annotated script. The play delves into the characters' past, answering questions about their origins, such as how Peter and Captain Hook met or why Tinkerbell was created. The annotated version of a play or musical is a unique reading experience that offers more than just the original script. The writer highly recommends it for its production photographs and behind-the-scenes story of how a show comes to life on stage. They predict that this show will become a staple in local theaters once performance rights become available. With great characters, a good story, and a lot of heart, the writer loved reading the annotated version. They also appreciate the way it tells its own story through origination to Broadway, making it a must-read for theater enthusiasts. I'm really excited to see this theatrical piece come to life in March!I recently purchased the book after attending the show last weekend and I couldn't be happier with my purchase - it's a great read that provides valuable behind-the-scenes insights into the original versions of the script. The book is also an excellent memento, making it a fantastic souvenir.
