Print-ready and suitable for sharing on social media, download this template now and make sure your nearest and dearest receive copies and make it in time to celebrate your golden year. Try it out now! Simple Birthday Invitation Card Template Download! Use this simple but elegant birthday invitation card template for your next birthday party. Create eye-catching titles with fully customizable layouts and standard fonts. This template can be completely edited on any electronic device with ease. Edit with Illustrator, MS Word, Photoshop, or Publisher and print anywhere, anytime. Check it out now! Chalkboard Birthday Party Invitation Template Download! The black and white chalkboard birthday party invitation template that is mentioned above is great for any birthday party. Choose between printing at home or sending out for commercial print. You can also make use of the invitation in Pages to make the best invitations you want of any kind. Save plenty of time as you do not have to make them from scratch. Grab this template now! Picking a theme will make your party even more exciting and entertaining in this way, you can easily plan the party around the theme. If you are adding any games, then you can also decide who can be a part of which game. Decoration plays an important role, so pick the right theme for decorating the party. Step 2: Add a Background Image! Choosing a background image for your invitation is very important since it is the base for the design you make. The invitation must be able to show what are the texts, fonts, and images present on the invitation. It shouldn't be too dull or too bright, it must be just right! Step 3: Create a Layout! Pick a template to help you decide on the layout of the invitation. Add borders, decorations and other infographics help to make your invitation attractive. The more presentable your invitation is, the more honored and special your guests feel. Ensure that your invitation is well-layered and is perfect in the design you pick. Take a look at the HR invitations for more. Step 4: Add the Details! Once you have the perfect layout, you can start adding all the details in the invitation you are making. Add the needed illustrations images and other infographics needed. Your information must include the date, time and location of the party so that guests can reach there on time. Step 5: Print and Distribute! Before printing your invitation, recheck to see if you have made any mistakes. The checking can be for grammatical errors, for color, background and illustration balance, etc. After this is done, you can choose whether you want to take a print of the invite and distribute it, or you want to share it digitally via email or any other social media platform. Purple Coloured Photo Framed 50th Birthday Party Invitation Conclusion: With the help of the templates that are mentioned in this article, you can make the best-needed birthday invitation templates you need of any kind. All you would have to do is pick the template you like best and make it your own by adding the details you want. Another added advantage of using these templates is the fact that you can download them with ease on any electronic device you want. You can also use them in any file format you like best like Excel, PSD, Word, Pages, PDF, InDesign, etc. with ease. You can save plenty of time and effort as you do not have to create an invitation all the way from scratch. Happy designing! General FAQs: A birthday invitation is a request for a person's attendance at a birthday party. It can be mailed out to guests when you want to invite friends to a special event. It can be printed or can also be online and sent out via email and other social media platforms with ease. Invitations are the first impression your guests will have about the event you are organizing. It creates a sense of excitement in the audience and sets the time for it. An invitation is used to invite people to go to a place, to do something or ask someone to participate in a particular event or activity. Birthday invitations include the following details in them: The purpose of the event, The time the party starts, The place/location of the party, Special instructions if any, The style of dressing, if necessary to be mentioned, The series of events at the party. To write a birthday invitation, you can open by stating the name of the guest of honor and the occasion, like "It's Jasmine's birthday!" On the next line of the card, mention the date, location and time of the party. With this, the people you invite know when and where to come. Write a birthday party invitation: Mention the purpose of the party, Mention who is hosting, Add the time, date and location of the party, Add the food and beverages available, if needed, Leave space for RSVP instructions, so the guests can tell you if they are bringing someone along, Add any other important information. So this is 50 and it's anything but over the hill. From decor that walks you down memory lane to hilarious cake toppers and thoughtful gifts, the big five-oh might just be your honoree's best year yet. Let's start strong! 1 of 12 50 Confetti

(\$5, amazon.com) This confetti is a reminder not to sweat the small stuff — yep, that includes turning 50! 2 of 12 Baby Face Straws While this blogger used baby face cut-outs for her child's first birthday, the idea is even more hilarious for an adult's. After digging through the family archives, print and cut out the honoree's face (the key here is finding multiple photos featuring different emotions) before tacking them onto pinwheel paper straws with adhesive dots. See more at 100 Layer Cake » 3 of 12 Birthday Banner (prices start at \$24, etsy.com)A simple, elegant banner gets your mantel into party-mode. 4 of 12 Party Kit (\$20, amazon.com)Pressed for time, but still need to throw together a party? Opt for a curated party kit, which sends you decor in a box. 5 of 12 Candle Cake By no means are we suggesting you replace a real cake with a candle cake — we'd never let that happen. Blowing out 50 candlesticks (bound together with a sweet blush ribbon!) just packs an additional touch of drama. See more at Decoratrix » 6 of 12 Favorite Things Theme Birthday parties are always about the honoree, but go step further and fill their party with their favorite food, drinks and music — take into account the things they enjoyed as a kid, too, for a fun throwback. See more at Talk Of The House » 7 of 12 50 Reasons We Love You Fill In (\$7, etsy.com)A perfect party activity, this printable gives guests 50 chances to say what they love most about the person of the hour. After all the hearts are full, frame the print — voilà, instant keepsake. 8 of 12 Flashback Sign 9 of 12 Printable Math Invite (\$11, etsy.com)Honestly, let your guests figure out how old you're turning. If they think you're 64 (it'll happen), remind them about PEMDAS. And then kick them out of your party, because you don't look a day over 35. 10 of 12 Lost Count Cake Topper (prices begin at \$20, etsy.com)The photo says it all, really. Yep. 12 of 12 Wine Labels (\$18, etsy.com)Turning 50 means bracing yourself for all the wine puns headed your way — which makes these vino labels even more appropriate. Hey, you've aged well (like a fine Napa merlot!). 50th birthday invitation templates free printable - We offer many easy to use invitation templates.
